Re: Official ban letter from the use of any or all S.C.R.A.P. Repeater System

Dear Mr. Howe:

You are officially notified to cease and desist from the use of any or all of the S.C.R.A.P. Repeater System with the coordinated frequencies of 449.500MHz and 145.360MHz. You may not use either the input or the output coordinated frequencies due to your abusive behavior for which you have demonstrated time and time again. Please note, all your behaviors on air have been digitally recorded and well documented. All information and recordings will be forwarded to F.C.C. for proper documentation and enforcement.

Please refer to Part 97 of FCC rules and regulations, repeater owner(s) have the granted rights to remove usage privileges from anyone as we see fit. We will not tolerate your criminal threats for which you have made against this repeater system. As of 12:00 am February 3, 2016 you are hereby notified and this letter will serve as an official notice to you that you have been banned from the use of this repeater system.

Best regards,

Henry Kao
